The defendant has missed appointments with his probation officer on April 22, May 17, July 2, July 9, and July 16, 2010. In addition, he tested positive for the use of cocaine on July 26, 2010. He has been unemployed since his supervision began. He reports his lack of work and income hamper his reporting. In response to his drug use we have referred him to treatment and have maintained our highest level of drug testing. We would also like to modify his supervision to include the conditions listed below. With these conditions we can refer him to several employment programs that have recently begun in our area. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall participate in a cognitive behavioral program as directed by the probation office.
2. The offender shall participate in an educational services program as directed by the probation officer. Such program may include GED preparation, English as a Second Language classes, and other classes designed to improve the offender's proficiency in skills such as reading, writing, mathematics, or computer use.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
